9:30 am  Prioritize and begin working through the agenda and topics suggested by the college administrative services vice presidents and facilities directors.

- Periodic reporting, including the possibility of having to report jobs created/retained;
- Probability of reimbursement to colleges, not up-front, lump-sum distributions (as it is currently with state funds);
- Involvement of the Construction Management Division;
- Segregation of federal major maintenance funds by colleges;
- Obligation of funds awarded no later than September 30, 2011; and
- Submission by colleges of prioritized projects listings.
