Wyoming Community College System Summer 2012 Enrollment Report

Casper College ~ Central Wyoming College ~ Eastern Wyoming College Laramie County Community College ~ Northwest College Northern Wyoming Community College District ~ Western Wyoming Community College

This report provides a look at summer 2012 semester enrollment in categories such as student enrollment, location and demographics of the community college student population. The content and format of this report has been developed through a collaborative effort between the Wyoming Community College Commission and the Institutional Research Committee members representing the seven community colleges. Most of the tables relay data that have been tracked by both of the aforementioned entities for over 12 years.

The enrollment reports continue to evolve as new data sets are needed to meet federal mandates, as well as to meet current requirements of the state and community colleges. Changes that have been made to the 2012 Summer Enrollment Report include:

- Table 13: Students Auditing Credit Courses has been added to provide data needed to cross reference with enrollment figures supplied to the Integrated Postsecondary Education Data System, (IPEDS). This table shows students (by headcount and FTE) who are taking credit courses for no credit (auditing).

Pertinent information to keep in mind while reading this report include the following:

- Data in this report represent student enrollment when 12% of each course had been completed.
- Full-time designation is achieved by being enrolled in a minimum of twelve (12) credit hours in one semester.
- -"Full-time equivalency means the number of approved academic or vocational-technical credit hours for each class for which students are enrolled divided by twelve (12)". W.S. 21-18-102 (a)(xii).
- "Duplicated headcount" means that within a survey or polling exercise of numerous programs and/or courses, a student may be counted more than once. WCCC Rules -2012
- -"Unduplicated headcount" means that within a survey or polling exercise of numerous programs and/or courses, a student shall be counted only once. WCCC Rules -2012

For additional information and discussion regarding this report, please refer to the Wyoming Community Colleges Commission's meeting minutes for February 6, 2012 located on the Wyoming Community College Commission's website at http://communitycolleges.wy.edu/commission-meetings.aspx .
