**Summer 2013 Enrollment Report**  
**Introduction**

This report provides a look at the summer 2013 semester enrollment in categories such as student enrollment, location and demographics of the community college student population. The content and format of this report has been developed through a collaborative effort between the Wyoming Community College Commission and the Institutional Research Committee members representing the seven community colleges. Most of the tables relay data that have been tracked by both of the aforementioned entities for over 13 years.

Pertinent information to keep in mind while reading this report include the following:

- Data in this report represent student enrollment when 12% of each course had been completed.
- Full-time designation is achieved by being enrolled in a minimum of twelve (12) credit hours in one semester.
- "Full-time equivalency means the number of approved academic or vocational-technical credit hours for each class for which students are enrolled divided by twelve (12)". W.S. 21-18-102 (a)(xii).
- "Duplicated headcount" means that within a survey or polling exercise of numerous programs and/or courses, a student may be counted more than once. WCCC Rules -2012
- "Unduplicated headcount" means that within a survey or polling exercise of numerous programs and/or courses, a student shall be counted only once. WCCC Rules -2012
