Wyoming Community College System Spring 2015 Enrollment Report

This report provides a look at the Spring 2015 term's enrollment in categories such as student load, location and demographics of the community college student population. The content and format of this report have been developed through a collaborative effort between the Wyoming Community College Commission and the Institutional Research Council members representing the seven community colleges. Most of the tables relay data that have been tracked by both of the aforementioned entities for over 14 years.

The enrollment reports continue to evolve as new data sets are needed to meet federal mandates, as well as to meet current requirements of the state and community colleges.

Pertinent information to keep in mind while reading this report includes the following:

- Data in this report represent student enrollment the day after 12% of each course had been completed.
- Student headcount in this report includes students who are enrolled for a letter grade, pass/fail designation as well as those who are auditing a course.
- Full-time designation is achieved by being enrolled in a minimum of twelve (12) credit hours in one semester.
- "Full-time equivalency means the number of approved academic or vocational-technical credit hours for each class for which students are enrolled divided by twelve (12)". W.S. 21-18-102 (a)(xii).
- "Duplicated headcount" means that within a survey or polling exercise of numerous programs and/or courses, a student may be counted more than once. WCCC Rules -2013
- "Unduplicated headcount" means that within a survey or polling exercise of numerous programs and/or courses, a student shall be counted only once. WCCC Rules -2013

For additional information and discussion regarding this report, please refer to the Wyoming Community Colleges Commission's meeting minutes for October 20, 2015 located on the Wyoming Community College Commission's website at <http://communitycolleges.wy.edu/enrollment-statistics.aspx>
