Fall 2014
Enrollment Report

Casper College ~ Central Wyoming College ~ Eastern Wyoming College
Laramie County Community College ~ Northwest College
Northern Wyoming Community College District ~
Western Wyoming Community College

Wyoming Community College System
Fall 2014 Enrollment Report

This report provides a look at the fall 2014 semester enrollment in categories such as student enrollment, location and demographics of the community college student population. The content and format of this report has been developed through a collaborative effort between the Wyoming Community College Commission and the Institutional Research Council members representing the seven community colleges. Most of the tables relay data that have been tracked by both of the aforementioned entities for over 13 years.

Pertinent information to keep in mind while reading this report include the following:

- Full-time designation is achieved by being enrolled in a minimum of twelve (12) credit hours in one semester.
- "Full-time equivalency means the number of approved academic or vocational-technical credit hours for each class for which students are enrolled divided by twelve (12)". W.S. 21-18-102 (a)(xii).
- "Duplicated headcount" means that within a survey or polling exercise of numerous programs and/or courses, a student may be counted more than once. WCCC Rules -2012
- "Unduplicated headcount" means that within a survey or polling exercise of numerous programs and/or courses, a student shall be counted only once. WCCC Rules -2012

For additional information and discussion regarding this report, please refer to the Wyoming Community Colleges Commission's meeting minutes for April 16, 2015 located on the Wyoming Community College Commission's website at <http://communitycolleges.wy.edu/commission-meetings.aspx>.
