At the end of each year, the State is required to complete Table SPR: Statewide Performance Report which mandates the State identify and report on the following:

(b) The number of participants who received Training Services and the funds expended for each student.

In order to accurately complete TABLE SPR, the State requires that all local providers implement a standardized protocol for how career services and training services are delivered and recorded on LACES.

Effective FY 2019/20, local programs in Wyoming were directed to implement this policy as outlined below.

1) All students must be enrolled in a Career Services course. (This was formerly known as a Start Smart or a Student Success Course). This should be a co-enrollment course as students should also be enrolled in AE, Bridge, IET, ESL, etc as well.

2) New students may have up to 15 hours logged as career services and must include:

Part IV: Training Services
Training services are defined as ‘any training services that AEFLA funds were used to pay for. This could be for an IET, an IELCE, or something else.

Local programs are required to identify these types of training courses in LACES by:

1) Creating a LACES course(s) entitled Training Course: IET-Welding; Training Course: IELCE-C.N.A., etc.
2) Enroll students into the training course. Hours attended should be ‘unlinked hours’ and should reflect total course hours possible.
   Note: Unlinked hours will not count towards overall hours of attendance in Adult Education and will not be reflected in NRS tables.
3) All AEFLA funds paid for these trainings, must be identified on:
   a) LACES:
      a. under the ‘Comments’ Section under ‘Classes’
      b. Comments should indicate the cost per student for this training as follows:
         “AEFLA funds in the amount of $200 per student were paid for enrollment into this training program.”
   b) Quarterly reports must identify how many students were enrolled into training programs in which AEFLA funds were used and the total amount of AEFLA funds expended for trainings in the quarter
   c) End of year reports: Narratives need to provide a discussion on Training Services provided which used AEFLA funds and the total amount of AEFLA funds spent on Training Services for the year.
