

## Occupational Information

### Military Careers

#### Today's Military

*This web site is designed to inform parents, educators, and young adults curious about the military service just what they have to offer. This is not a recruiting tool, but rather an informative site about programs, law, justice, assignments, dress, and expectations of the military.*

---

### Green Careers

#### Green Careers

*An outline of today's "green careers".*

---

#### The Riley Guide

*An informative site for those interested in "green jobs".*
